

Safety Data Sheet

EU Directive 91-155 of 5/3/1991

Creation date 14/9/2018

1. Identification of the product and the company

Product name	H6604 Reflective Tape
Supplier	Heskins Ltd Churchill Road Industrial Estate Brinscall Chorley, PR6 8RQ UK
Telephone	+44-(0)1254-832266
Fax	+44-(0)1254-832476
Email:	mail@heskins.com

2. Composition/information on ingredients

Hazardous substances None

The product consists of a silconised release paper lining a reflective surface.

3. Hazard information

This product does not present any particular hazard provided it is handled in accordance with good industrial hygiene and safety practise and under normal conditions of use. Following our present state of knowledge this product is not classified as a hazardous substance.

4. First aid measures

Inhalation	Not applicable under normal conditions of use

Eye content	Not specifically applicable
Ingestion	Not specifically applicable

5. Fire fighting measures

Suitable extinguishing media	Every media is appropriate
Unsuitable extinguishing media	Not known
Special exposure hazards	Combustible material, which may melt on heating. Harmful/toxic vapours such as carbon monoxide may be evolved.

Safety Data Sheet

EU Directive 91-155 of 5/3/1991

Creation date 14/9/2018

Protection of fire fighters Self contained breathing apparatus

6. Accidental release materials

Personal protection Not applicable under normal conditions of use

Environmental protection This product does not present any particular risk to the environment

Methods of cleaning up Not applicable under normal conditions of use

7. Handling and storage

Handling Does not require any specific handling procedure

Storage Does not require any specific technical measures. For longevity of product it is recommended that it is stored in closed cartons away from direct sources of heat and light.

8. Exposure control/personal protection

Technical measures Does not require any particular measures provided it is in accordance with good hygiene and safety practise.

Personal protection Not specifically applicable

9. Physical and chemical properties

Appearance

- Physical state Solid

- Form Solid coloured film

- Colour Release liner is white or coloured , upper surface is a wide variety of colours.

Odour Faint

PH Not Applicable

Boiling point Not Applicable

Flash point Not Applicable

Flammability Not Applicable

Explosive properties Not Applicable

Oxidising properties Not Applicable

Vapour pressure Not Applicable

Relative density 1.0

Solubility

- Water Not soluble

- Organic solvent Adhesive is partially soluble in common solvent

10. Stability and reactivity

Safety Data Sheet

EU Directive 91-155 of 5/3/1991

Creation date 14/9/2018

Conditions to avoid	This product is stable at room temperature and in normal handling conditions
Hazardous decomposition Products	On combustion of thermal decomposition toxic gases may be released as oxides of carbon (CO & CO ²)

11. Toxicological Information

Local effects	Not applicable given the products physical state
Information general	Based on our experience and according to our knowledge of this product does not have any toxic effect under normal handling procedures.

12. Ecological information

Persistence/Degradability	This product persists in the soil
Destination of the product	As a very small percentage of a finished product this cannot be determined. Unused product is typically land filled/incinerated where appropriate.
Possible impact/effect	Not dispersible. This product should not pose any specific problem to the environment

13. Disposal considerations

Waste from residues	Recycle the product wherever possible. For non-recycled product dispose of in accordance with local regulations. It can be disposed of as a non hazardous industrial waste, or, incinerated at a licensed site
Waste from packaging	Under normal usage/storage conditions contamination of packaging is not applicable. Depending on local possibilities either recycle, reuse or incinerate the cardboard and plastic packaging

NOTE: The user's attention is drawn to the possible existence of local regulations concerning disposal

14. Transport information

To the best of our knowledge at the time of creation of this document the product is not subject to any national/international regulations for transport by rail/sea/air.

15. Regulation information

Labelling	No mandatory labelling is required. Product is not classified as dangerous/hazardous. It is recommended that the customer refer to
-----------	--

Safety Data Sheet

EU Directive 91-155 of 5/3/1991

Creation date 14/9/2018

all applicable and relevant local/international regulations, provisions and legislation.

16. Other information

For specific application such as medicine, surgery and the food industry, the manufacturer (Heskins Ltd) should be contacted for further information.

The information given in this safety data sheet is based on our knowledge of the product at the time of publication and is given in good faith. The attention is drawn to the possible risks incurred by using the product for any other purpose than that for which it was intended. It is the sole responsibility of the user to take all the precautions in handling this product. We cannot guarantee that the risks referred to above are the only risks present. The final choice of application is thus the sole responsibility of the user.
